

OBPOA Nominees for the Executive Committee

November 2023 Annual Meeting Election for the 2023-2024 Term

Ann Garnett (2327 Gramercy Blvd.) – Candidate for President

Along with my husband, Joe Garnett, I have lived in the neighborhood for 31 years and raised our four children here. I am an attorney and licensed CPA. Currently, I work as an Assistant General Counsel for MRC Global Inc., the largest seller in the world of pipe, valves, and fittings. I handle securities and corporate governance law for the company. I have been a member of the OB Garden Club for years and served as president. I really enjoy reading many interesting books through the OB Book Club. I served as a precinct chair and election judge for the neighborhood for over 20 years, and I have also served on the Executive Committee for the past 3 years and as president this year. I look forward to the challenges that lie ahead in our neighborhood.

Sharam Honari (2212 Glen Haven Blvd.) – Candidate for Vice President

I welcome the opportunity to serve the neighbors of OB on the Executive Committee for a second term. My goal remains the same, to accomplish long-term goals that are both inclusive and benefit the majority of our neighbors. I look forward to continuing to better our community and meeting with you if we have not already met. My wife Lindsey, daughter Zoe (now 21 and in college), and I moved to Glen Haven Blvd. in 2012, having previously lived a few blocks from Rice Village. We live in a home built in 1939, which we have renovated on more than one occasion. Professionally, I work in the investment management field focused on public and private energy-related investments. I also serve on the Patrol Committee and am a Board member of the Halo House Foundation, a local non-profit founded by my neighbor Dr. Nathan Fowler and his family which provides housing for blood cancer patients that travel to the Texas Medical Center for treatment.

Daniel Parker (2428 Glen Haven Blvd.) – Candidate for Vice President

My name is Daniel Parker and along with my wife Amanda and two boys, we have lived in the neighborhood for almost five years now. We previously lived south of the bayou before remodeling our house on Glen Haven. We have become good friends with most of our neighbors and love long walks throughout the neighborhood with our new puppy. I have been a residential Realtor with New Leaf Real Estate for 20 years and also have a background in the construction industry. I have enjoyed serving on the Executive Committee over the last two years and working on various subcommittees.

Robert E. Jackson MD, MACP (7505 Morningside) – Candidate for Vice President

My wife Alicia and I moved to Old Braeswood in 2017. This neighborhood has a very special meaning to us. Not only because it is beautiful with amazing neighbors but also because it became our refuge, having been flooded out from our previous neighborhood, compliments of Hurricane Harvey.

I was born in Houston, attended the University of Texas and UTMB Medical School and completed my residency at Baylor College of Medicine. I am a Clinical Professor of Medicine at Houston Methodist Hospital. I have been in practice at the Medical Center for 30 years and continue to be involved in education, research, and patient care. I have extensive leadership experience as President of the Methodist Medical Staff and Governor of the Texas Chapter of the American College of Physicians. Currently, I am the immediate past President of the Houston Academy of Medicine and the President-Elect of the Harris County Medical Society. These positions and experience have taught me that the key to being an effective leader is to listen. Listen to all sides! If elected to serve again as Vice-President, I will continue to listen to all concerns and do what is best for our wonderful neighborhood.

Erin Orzeck Goldman (2330 Blue Bonnet Blvd.) – Candidate for Secretary

I love Old Braeswood now more than ever! It has been an honor to serve as Secretary of the Executive Committee for the past year. I am the proud mom to four girls and the wife of Brian Goldman. Family means the world to me, and where we decided to purchase our home to raise our family was a very intentional decision. We immediately fell in love with our home, and over the past five years, we have come to love our neighborhood too. The wonderful neighbors and sense of community are what really stand out. I feel strongly about Old Braeswood and have been honored to serve in multiple ways. In addition to serving as Secretary, I am President of the Old Braeswood Park Corp., an OB Block Captain, and a member of the OB Garden and Book Clubs. In all these pursuits, I have worked hard to support the mission of the OBPOA while being welcoming, thoughtful, and respectful. Thank you for your consideration.

Christi Bowden (7309 Greenbriar Dr.) – Candidate for Treasurer

I look forward to the opportunity to serve our neighborhood as a member of the executive committee. I have lived in Old Braeswood since 2005, and my husband, David, and I have four daughters: three are 22 and the youngest is 12. I graduated from Baylor and am a licensed CPA. I am the CFO for a group of construction companies with a focus on commercial construction where the lead architect is a landscape architect. Our passion is building beautiful communities, and I look forward to applying that same passion and beauty in our neighborhood.

Outside of work, I am actively involved in committees at our church (St. John the Divine), our daughter's school (St. Mark's Episcopal), National Charity League, Galveston Mardi Gras Krewe of Gambrinus and various organizations across the country via my work role. I am honored to receive your consideration to serve as your Treasurer and look forward to supporting the mission of OBPOA with respect, ethics and consideration for the best interests of our neighborhood.

Paul Danziger (2335 Blue Bonnet Blvd.) – Candidate for At-Large

Thank you for considering me for the opportunity to serve again on the Old Braeswood Executive Committee again this year. My wife, Susan, and I have loved living in Old Braeswood for the last 18 years where we have raised 4 kids and I cannot think of a better place to have chosen.

I am a lawyer by trade and have been involved in a number of mediations and believe that my experience with dispute resolution would lend a stabilizing influence for the neighborhood at this time. If I am privileged enough to be elected, I will have an open door and listen to all options to make sure we are always striving to make the neighborhood better.

Fred Steves (2337 Blue Bonnet Blvd.) – Candidate for At Large

I was married 54 years to Courtney Pollard Steves (deceased 2019). We have two boys, Ben & Roy, and three grandboys. We lived 31 years in Southampton, and moved to Old Braeswood in 2001 after restoration of the L.D. Allen home at 2337 Blue Bonnet Blvd. The project earned a Gold Brick award from Preservation Houston. I worked 50 years with Myron F. Steves & Company, a property & casualty wholesale & specialty Insurance firm, sold to RT Specialty in 2019, retired 2021. Currently, I am a Director of Financial Casualty & Surety, Inc., a surety insurance company. Prior to that I served as a Captain, Judge Advocate, in the U.S. Marine Corps.
